Former club member, Val Poliuto, still has a few items left from his shop sale. Of note is a Powermatic stationary sander with extra belts and disks and some black walnut lumber. He also has an assortment of hand power tools, and small lots of various woods. Val can be contacted at 559-0020 to make an appointment. Please do not call him before 9:30 a.m.

Mike Reilly and **Joe Doker** gave a slide presentation about their recent appearance on behalf of the club at the St. Marks Wildlife, Heritage, and Outdoors festival on February 4th. See the article below for photos and more information.
